

One building 4400 sq ft other 2200.

Has new septic and has potable water.

2 million to purchase new property.

Keep buildings as separate projects (town hall, annex, new town hall)

How long will property be on the market and do we have first choice?

Current assumption is that we need 8000+ sq ft

Next meeting tentatively Wednesday the 3rd to bring in OPMs and discuss options.
