

FOR BRIMFIELD RESIDENTS

Reflective Address Marker Program

Seconds Count in an Emergency!

- Protect your family and your property by having large visible house numbers.
- Firefighters, police officers, and EMS find you faster when your home is properly marked.
- A visitor, child or injured person may be unable to give clear directions.
- Emergency personnel from a neighboring community may be unfamiliar with your area.
- Mailboxes with numbers are often not close to an actual residence.
- Delivery services for mail and fuel will be able to more easily locate your home.

We are offering signs for sale that have a red reflective background with white reflective numbers. The signs are constructed on **100% aluminum** and measure **18 inches long by 6 inches wide** with rounded corners *mounted on a metal pole*. The cost is \$20.00 and members of the Fire Department will install the signs at the end of your driveway. We encourage all homeowners to participate in this program. Please allow 30 days from order to installation.
